

BARBERTON MINES (PTY) LTD

5 UNDERGRADUATE FULLTIME BURSARIES UP FOR GRABS!!!

Barberton Mines (Pty) LTD, a subsidiary company of Pan African Resources, is offering 5 (five) fulltime bursaries for undergraduates residing in our labour sending area (Barberton and surroundings). The fields of study are:

- 1X BENG/BSC Mining Engineering
- 1X Bachelor of Mineral/Mine Surveying
- 1X BENG/ BSC Mechanical Engineering
- 2X BENG/BSC Electrical and Electronic Engineering

Note:

No bursaries will be awarded for fields of study not listed above. Bursaries are not always awarded in each field of study every year. Applicants should submit an application based on a real interest in the field and not only because they must secure a bursary.

Bursary includes:

Barberton Mines bursary is a comprehensive bursary which includes the following:

- 100% of the prescribed university tuition fees, registration fee and prescribed textbooks fees.
- 1X Laptop and e-learning prescribed textbooks. Barberton Mines will not be responsible for any Internet connectivity fees.
- An amount equal to the average rate for accommodation in a single room at a university hostel at the university at which the Barberton Mines bursar is studying.
- Monthly allowance for meals and travelling.

Note:

- Prescribed tuition fees, registration, accommodation and textbook fees are paid directly to the university and the bookshop.
- The monthly allowances are paid directly to the individual.

Our selection process:

- Applications, with the letter of acceptance from the student's preferred University in South Africa, should be submitted to Barberton Mines not later than Friday **05 January 2018 at 12H00**. No late application will be considered.

- All applicants shortlisted to attend an interview will be notified on or before Tuesday 09 January 2018. Notification is done telephonically as well as per written correspondence.
- Applicants will **not** be reimbursed for travel expenses if residing around Barberton and its surroundings.
- The outcome of the selection day will be communicated to successful applicants only, by Thursday, 11 January 2018.
- Successful candidates will then be provided with comprehensive documentation (bursary agreement between both parties).
- Bursaries are awarded for commencement in the 2019 academic year and no payments are made in respect of studies already completed.
