OFFICE OF THE MUNICIPAL MANAGER

Water Restriction Notice

02/11/2015

Crocodile River running very low, abstractions restrictions implemented immediately by 20%

Mbombela Local Municipality would like to inform all the resident and water users that abstraction restrictions are being implemented as the Crocodile has stopped flowing further downstream. These restrictions will apply to all municipal abstractions from the Crocodile River such as Mbombela, White River, KaNyamazane, Malalane and Komatipoort.

Municipality appeals to users to:

- Stop the irrigation of gardens (residential and business)
- Stop washing cars with hosepipe (use bucket)
- Stop cleaning pavement with hosepipe (use broom)
- Report leaks (Call Centre 0861 68 6623)
Concession area (Call Centre 0861 74 5858)

The reason for these restrictions is to enable the flow in the Crocodile River to reach the Mozambican border as it has currently stopped flowing. This is required to meet the domestic needs downstream, our international obligations and the environmental sustainability of the Crocodile River.

Your immediate and urgent action will be appreciated.

Issued by Mbombela Local Municipality, contact details: Mr. Joseph Ngala at 013 759 2180 or 071 460 5246
